Benefit Description

Maternity Care (cont.)

- We cover routine nursery care of the newborn when performed during the covered portion of the mother's maternity stay and billed by the facility. We cover other care of a newborn who requires professional services or non-routine treatment, only if we cover the newborn under a Self Plus One or Self and Family enrollment. Surgical benefits apply to circumcision when billed by a professional provider for a male newborn.
- Hospital services are listed in Section 5(c) and Surgical benefits are in Section 5(b).

Note: See Section 10 for our allowance for inpatient stays resulting from an emergency delivery at a hospital or other facility not contracted with your Local Plan.

Note: When a newborn requires definitive treatment during or after the mother's hospital stay, the newborn is considered a patient in their own right. Regular medical or surgical benefits apply rather than maternity benefits. See Section 5(b) for our payment levels for circumcision.
